

your name at their fingertips

personalised note pads

Give potential and loyal customers your branded pad with all the essential company details. Personalised pads are handy as AND they keep you and your company in mind longer than any other type of advertising.*

Features:

- Quality white 80gsm paper
- A6 size
- 50Lf pad
- Branded with your logo and desired design

Ideal for:

messages, notes, brainstorming, or even just doodles during that work meeting that should've been an email...

* Well.. probably. It's not proven, but it's what we reckon. I can't remember what was on the last billboard I saw, can you?
